MADISON SCHOLARSHIPS HUB

Madison Scholarships Hub is the application center for all JMU foundation scholarships at James Madison University.

To log in, go to MyMadison and under the Student tab click on the logo for Madison Scholarships Hub.

Qualifications for the majority of our scholarships are based on the general application as well as information pulled directly from your student academic record. **Deadlines vary** across departments so be sure to complete the general application as soon as possible to receive full consideration.

Review the criteria for any recommended scholarship opportunity you are presented with and if you meet the qualifications, click apply to submit additional required information.

Scholarships become available beginning in January, although some may have later start dates so be sure to check back periodically to see if additional scholarship opportunities have been added.
