

In accordance with the Commonwealth of Virginia and the American College Health Association immunization guidelines, James Madison University policy requires that all students shall provide an Immunization Form with documented immunizations and TB screening prior to enrollment. This policy helps ensure the health of all students by reducing the possibility of communicable disease on the JMU campus. **Since you are enrolled in an online or distance learning program, you may be waived from the Immunization Form policy by filling out the attached waiver and returning it to the University Health Center at the address listed below no later than the 3rd Friday of the first semester attending JMU.**

Immunization Form Waiver for Online and Distance Learners GRADUATE STUDENTS ONLY

I, **(print name)** _____ confirm that I am enrolled in an online or distance learning program only and do not plan on taking any courses on the campus of James Madison University in Harrisonburg, Virginia, and am therefore waived from having to complete the Immunization Form. I understand that should I, at any time, register for a course on the campus of JMU I will be required to complete an Immunization Form and submit it to the University Health Center to avoid a hold on my account and a possible \$50 fine. I also understand that by signing this form, I am not eligible to utilize University Health Center for my medical needs.
