Bachelor of Science in Studio Art
Industrial Design Emphasis

The Industrial Design Emphasis requires 60 credit hours in art and art history courses and a combined 18 credits in electives from ISAT and COB.

degree requirements

Required Courses
- General Education Courses  41 credits
  The General Education program contains a set of requirements each student must fulfill. The number of credit hours necessary to fulfill these requirements may vary. Math and GISAT courses may double count in the emphasis.
- Quantitative Requirement  3 credits
  In addition to course work taken to fulfill General Education requirement. May be fulfilled by successfully completing GISAT 141.
- Scientific Literacy Requirement  3 credits
  In addition to course work taken to fulfill General Education requirement.

Major and Emphasis Requirements  78 credits (see below)

Credit Total  125  The total credit hours are typically fewer because of the option of double counting several courses with General Education.
