

College of Business

Compiled by: Alex Williams, Data and Technology Coordinator, Career & Academic Planning

June 2019

The Class of 2018 includes those students graduating August 2017, December 2017, and May 2018. There were 800* College of Business graduates who received Bachelor degrees during this period. This report highlights the post-graduation pursuits for **94%** of the CoB Class of 2018 graduates. This data is a culmination of information posted to students' Experience Profiles**, collaborative efforts to share data within the JMU community, and extensive research of reliable and verifiable sources.

*Source: JMU's Registrar's Office, includes Aug / Dec 2017 and May 2018 graduates

**Experience Profile is an online site JMU students and alums can post their career successes, such as internships, experiential learning activities, employment and/or graduate school enrollment.
