

Training resources for employers

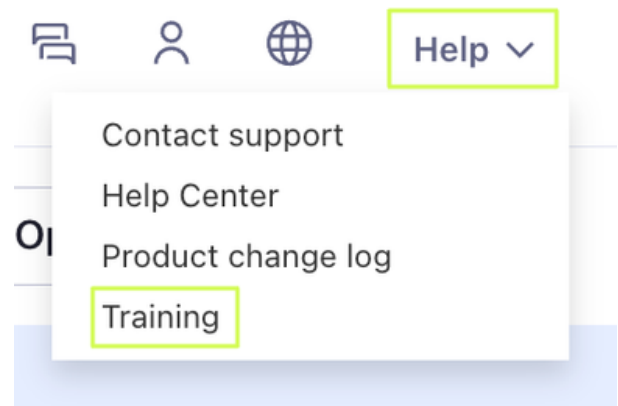

Pathfinders

Pathfinders is Handshake's free online training platform specifically designed for employers. Pathfinders offers self-guided courses that cover various Handshake and early talent recruiting topics, allowing users to stay current with the Handshake product and industry trends.

How to access

Pathfinders courses don't require a separate account creation or login, so once you're logged into Handshake, you should be able to access Pathfinders seamlessly.

To access Pathfinders, login to Handshake and head to training.joinhandshake.com or navigate to it from the "Help" dropdown in product and click "Training".
