

How to Register Your Site on our Local Tour

You can click [here](#) to watch a tutorial ASES put together on how to register a site on the National ASES Solar Tour map.

The screenshot shows the 'map.nationalsolartour.org/auth/sign-up' page. It has two main sections: 'Already Registered for 2024?' and 'Not Yet Registered for 2024?'. The first section includes a 'Sign In' button and a text input for email. The second section includes a 'Sign Up' button and text inputs for Name and Email. A copyright notice at the bottom reads: 'Copyright © 2024 American Solar Energy Society. All rights reserved. View our cookie policy.'

1. Navigate to <https://map.nationalsolartour.org/auth/sign-up> . Enter your name and email address to sign up. You will have to verify your email to sign in.

The screenshot shows the 'map.nationalsolartour.org/sites' page. It has two main sections: 'My Sites' and 'External Site Pages'. The 'My Sites' section has an 'Add New Site' button and a message 'There are no records to display'. The 'External Site Pages' section has an 'Add Link to External Site Page' button and a message 'There are no records to display'. A copyright notice at the bottom reads: 'Copyright © 2024 American Solar Energy Society. All rights reserved. View our cookie policy.'

2. Click 'Add New Site'
