EMPOWERMENT3

(E3)

OVERVIEW

Our Mission: We seek to empower **individuals and their families**, **professionals** (in-service and pre-service), and **communities** using physical activity, mentorship, and social connection.

What We Do: E3 conducts **programming, research, training, and provides support** to improve physical and emotional health, community participation, and quality of life of individuals, increase disability literacy and self-efficacy of professionals, and challenge communities to become ability first.

Whom We Serve: E3's health promotion efforts serve Individuals with disabilities (physical, intellectual, behavioral, visual, hearing.), older adults, refugees, English language learners, and at-risk youth.

All programs have specific spots for peers without disabilities to promote inclusion.

We serve participants across the Valley, Virginia, and nationwide.

Research: E3 explores questions across **participants, families, pre-service/in-service professionals, and communities** (e.g., barriers to participation; improvements in physical and mental health, community participation, and social determinants of health; increases in disability literacy and self-efficacy).

Program Fees: Fees are in the descriptions of each program. Grant funds offset program fees. Scholarship funds are available for those unable to pay due to circumstances. Please pay program fees to *James Madison University (JMU)*, Memo Line, Empowerment3.

PROGRAM POLICY

PROGRAM GUIDE - SPRING 2024

PROGRAM ENROLLMENT REQUIREMENTS

1. All participants (mentees) must submit all paperwork electronically, mail the forms, or drop off the documents to enroll. Mentees can call E3 (540-568-4877) to complete initial paperwork if needed. **Mentees must meet a “consent to participate form,” which requires a doctor’s signature to enroll.**
2. Mentees must submit paperwork and program fees at the start of the first program. Spots are limited, and while you may have a space reserved, your program slot is not guaranteed until payment is received. Without submission of the appropriate paperwork, the organization is liable if an injury occurs and documentation is not on file.
3. E3 conducts Community-Based Participatory Research (CBPR) to determine the impact of our programming on mentees, mentors, caregivers, and instructors. Pre-post testing is completed by all mentees, with their mentor, during each program’s first and last week. In addition to research, data collection will establish individualized program goals and assess program improvement at the end. **This impact data is essential to our programming and E3’s ability to secure funds to keep fees down.**
4. Mentees agree to attend all scheduled programs. If a participant must miss a program due to illness, family conflict, travel/weather concern, etc. – a guardian or caregiver will notify the specified program contact (in advance if possible). Please remember that our mentors are volunteers; if a mentee does not show up, the volunteer believes they are no longer needed and often drops out, leaving us shorthanded if the participant attends future weeks.

PROGRAM POLICY

PROGRAM GUIDE - SPRING 2024

APPROPRIATE PROGRAM ATTIRE

1. Please ensure the mentee has appropriate footwear (sneakers/tennis shoes) for land-based programs. Ensure clean flip-flops, crocs, or water shoes for water-based programs.
2. Please ensure the mentee wears appropriate athletic wear to programs.
Land programs: Shorts or exercise pants and a t-shirt;
Water programs: One-piece bathing suit, shorts/t-shirt, or two-piece.
Proper attire ensures participant safety as well as protects mentors and equipment.

PROGRAM FEES

1. Program fees are **paid to James Madison University (JMU)**, memo line: *Empowerment3*. **Full or Partial scholarships are available - based on financial need** (written justification needed – e.g., fixed income, SSI, economic hardship). Mentees on scholarship may be limited to one program depending on program availability. Grant funds or independent donors provide scholarship support. Many thanks to our donors.

INCLEMENT WEATHER POLICY

1. If JMU OR Harrisonburg City Schools are closed, programs are automatically canceled. We will cancel programs if the weather is unsafe.
2. If we cancel programs the day before, mentees will be notified by e-mail. If we cancel the day of programs, mentees will receive an e-mail and call/text. Cancellations will post on social media as well.

PHOTO RELEASE

Empowerment3 takes photos/videos during programs and events to use in our newsletters, training for volunteers and staff, and promotional or educational materials. Participants or Guardians must indicate their photography preference during registration.

E3 PROGRAMMING

FRAMEWORK

Physical Activity & Nutrition: We offer **small group and one-on-one** programming via *face-to-face, virtual, and hybrid* formats.

1:1 Mentorship/Coaching: Each participant has a one-on-one mentor who provides **individualized instruction and support**. A mentor **participates alongside their mentee** in all activities.

Our mentors are pre-professional students across *30 different academic programs* (e.g., kinesiology, health sciences, pre-med, pre-PT, pre-OT, psychology, social work, education/special education, engineering) at James Madison University. We also have Eastern Mennonite University, Bridgewater College, and Blue Ridge Community College mentors.

Social Connection: E3 believes **same-age and cross-age peer engagement** is essential! During small group programs, mentees and mentors engage with other participants to facilitate communication and social inclusion. Individuals celebrate their successes with peers during one-on-one programs by posting to our social media.
