

**NATIONAL STEERING COMMITTEE 504  
VIETNAM NATIONAL MINE ACTION CENTER**

**LESSONS LEARNT  
SURVEY**

**Washington D.C.– June 2017**

## Outline

- I. National Mine Action Program (Program 504) and Vietnam National Mine Action Center (VNMAC)
  
- II. CMRS Implementation in Vietnam

## National Mine Action Program (Program 504)

- Nationwide survey
- National Technical Mine Action Standards
- Database management Center
- UXO/Landmine Clearance activities
- Mine Risk Education
- Victim Assistance
- Awareness raising program

# Vietnam National Mine Action Center

1. Under the leadership of the Prime Minister
  
2. Current main tasks:
  - Implement the Program 504;
  - International cooperation;
  - Mine risk education;
  - New Decree;
  - Mine Action Partnership Group;
  - National database center for mine action.

## CMRS – INGO's in the Provinces

1. The National Program doesn't implement or oversee the management of CMRS activities conducted by INGO's in the provinces
2. CMRS is being conducted in Quang Tri Province on a large scale, funded by USDoS, by NPA, with clearance of CHA's conducted by MAG and PTVN.
3. TS SOP Trials

## Lessons Learnt/Concerns.

1. Understanding survey – Sampling v Survey
2. Evidence based – Defining Evidence
3. Stronger NTS
4. Depth
5. Other items
6. What happens when there is no information - Evidence
