

# Dr. Roger Collins

Ed. D. Degree Consultant and Adjunct Professor

## Research Description

I am passionate about developing executive level leaders. This includes supporting professionals who desire to work as a school superintendent, assistant superintendent, director, principal or the leader of a 501(c)3 non-profit organization.

## Research Interest

- Executive level leadership in schools;
- Servanthood leadership;
- Organizational work culture;
- Performance coaching;
- Strategic planning related to organizational behavior

## Research Questions and Projects

Collaboration with multiple public school division leadership teams and school boards

## Partners Invited

I welcome graduate student partners and other JMU faculty partners
