Office: 3126 Memorial Hall
Education:

Citizenship: United States

Doctor of Philosophy (Jan. 1994) in Educational Psychology with concentrations in Educational Research (Quantitative and Qualitative Methods) and Reading Education, University of Virginia, Charlottesville, Va., *Dissertation:* "Validation and application of a measure of print exposure in the assessment of long-term effects of variation in print exposure" (published under the name of Laura Desportes Echols)

Master of Education (1985) in School Psychology; James Madison University, Harrisonburg, Va.

Bachelor of Arts (1979) in Psychological Services and Special Education; Mary Baldwin College, Staunton, Va.

Professional Work History:

Associate Professor and Head Department of Exceptional Education
James Madison University

Harrisonburg, VA 22807 from 7/08 to present (tenured April 2009)

Responsibilities: Provide administrative leadership for a department comprising the teacher education programs of Special Education, Gifted Education and English as a Second Language, teach courses in Psychoeducational Assessment of Learning and Behavior Problems (graduate course), Overview of Autism Spectrum Disorders, Foundations of Learning and Cognition for Education, and serve on the College of Education Assessment Committee, and the university Institutional Review Board.

Adjunct Professor of Graduate Psychology

James Madison University

Harrisonburg, VA 22807 from 8/2010 to present

Responsibilities: Develop and teach course in Foundations of Research Design and Data Analysis for students in doctoral programs in psychology, co-teach PSYC 727 course on instructional interventions.

Associate Professor Department of Exceptional Education

James Madison University

Harrisonburg, VA 22807 from 8/2006 to 7/08

Responsibilities: Develop and teach courses in Characteristics of Emotional/Behavioral Disturbance, Psychoeducational Assessment of Learning and Behavior Problems

(graduate course), and Classroom Observation in Special Education. Served on the College of Education Assessment Committee, and served as “Faculty Friend” for a freshmen dormitory, Garber Hall.

Chair and Associate Professor

Department of Psychology

Bridgewater College

Bridgewater, VA 22812 - From 5/05 to 6/06

Responsibilities: Administer a five-person department serving approximately 100 majors and minors in a liberal arts undergraduate institution. Develop and teach courses in General Psychology, Lifespan Development, Psychological Assessment, Personality, Social and Foundations of Literacy (EDUC 335) to approximately 150 students per year, coordinate and supervise practicum placements for approximately 15 students per year (plus two student teachers this semester), and advise approximately 40+ students per year. Served on various key committees including General Education Project Team, Quantitative Reasoning Curriculum Development Team, and served as the chair for the Instructional Effectiveness Committee for SACS accreditation purposes, Admissions Committee, the Institutional Research Board, and the Institutional Effectiveness Committee. Started chapter of National Honor Society in Psychology (Psi Chi) and served as advisor to Psychology Club.

Associate Professor of Psychology

Bridgewater College

Bridgewater, VA 22812 - From 6/95 to 6/06 (tenured Dec. 1, 2000)

Responsibilities: Develop and teach courses in General Psychology, Lifespan Development, Psychological Assessment, Personality, Social and Foundations of Literacy (EDUC 335) to approximately 150 students per year, coordinate and supervise practicum placements for approximately 15 students per year (plus two student teachers this semester), and advise approximately 40+ students per year. Served on various key committees including General Education Project Team, Quantitative Reasoning Curriculum Development Team, and served as the chair for the Instructional Effectiveness Committee for SACS accreditation purposes. Started chapter of National Honor Society in Psychology (Psi Chi) and served as advisor to Psychology Club.

Research and Evaluation Associate - From 4/1/93 to 6/15/95

Virginia Dept. of Mental Health, Mental Retardation & Substance Abuse Services

Box 1797, Governor St.

Richmond, Virginia 23214

Responsibilities: Design and implement a comprehensive program evaluation system for mental retardation community services in the Commonwealth of Virginia. Provide technical assistance to community services boards in the areas of outcome research and program evaluation. Design and conduct research for legislative and other funding-related informational studies. Participate in task forces, committees and other work groups relevant to the continuous improvement of mental retardation services and development of service outcome assessment.

Mental Retardation Services Director - From 1/2/92 to 3/31/93

Valley Community Services Board

117 S. Lewis St.

Staunton, Va. 24401

Responsibilities: Direct the delivery of services to consumers with mental retardation for the counties of Augusta and Highland and the cities contained therein. Included on-going assessment of catchment area service needs and program planning and development to meet those needs. Provided direct supervision to six program directors and managers and indirect supervision to approximately 50 direct service delivery staff. Developed and implemented the Medicaid Community-based Waiver program now serving 20 severely disabled, multihandicapped consumers and implemented the development of a new supported living program and a community participation day support program.

Reason for leaving: Wanted to return to research.

Mental Retardation Services Supervisor - 5/18/91 to 12/31/91

Harrisonburg-Rockingham Community Services Board

1241 N. Main St.

Harrisonburg, Va. 22801

Responsibilities: Direct the delivery of services to consumers with mental retardation for the county of Rockingham and the communities contained therein. Provided direct supervision to two case managers and worked with vendors of day, residential and consultative services for consumers with mental retardation. Developed the Medicaid Waiver implementation plan which was implemented successfully after my departure from this position. Developed a community task force to foster community integration opportunities for individuals with mental retardation and co-led a substance abuse prevention support group for adults with mental retardation.

Reason for leaving: Career advancement opportunity.

Instructor of Psychology - From 8/89 to 5/91

James Madison University

Harrisonburg, Va. 22803

Responsibilities: Design and teach the following courses to approximately 150 undergraduate students per semester: Tests and Measurement, Human Growth and Development, Adolescent Development, Child Development, Educational Psychology and Concepts of Learning.

Reason for leaving: Non-tenured position.

Psychologist C (Virginia State Classification) - From 10/88 to 8/89

DeJarnette Center for Human Development

Box 2309, Staunton, Va. 24401

Responsibilities: Served as unit clinician for the Developmental Disabilities/Autism Unit at an acute care psychiatric hospital for children and adolescents. Provided psychoeducational and behavioral assessment, developed and monitored treatment plans for residents, developed a data collection system to monitor patient progress, and developed and implemented a program of parent instruction and direct-care staff

in-service education. Served as Center Professional Staff representative to the Patient Management Evaluation Committee and chaired the Behavioral Programs and Human Research Review Committees.

Reason for leaving: Unit closed.

Teacher of Self-contained class for Seriously Emotionally Disturbed - From 8/86 to 6/88
Stuarts Draft Middle School
Augusta County Public Schools
Fishersville, Va. 22939

Responsibilities: Designed and implemented a program of academic, behavioral and affective instruction for seriously emotionally disturbed and multi-handicapped adolescents.

Reason for leaving: To fulfill full-time residency requirements for doctoral program.

Academic Instructor/Department Statistician - From 6/85 to 7/86
Training Dept., Woodrow Wilson Rehabilitation Center
Fishersville, Va. 22939

Responsibilities: Provided trade-related remedial academic instruction to multi-handicapped adults in a comprehensive rehabilitation center. Developed a design for client follow-up and training program analysis and evaluation. Reported to management staff, regional and national accrediting bodies and State Department of Education regarding program utilization and effectiveness.

Reason for leaving: To have summers off and a shorter work day in order to attend classes in my doctoral program.

Research Associate/Learning Disabilities Specialist - From 7/83 to 6/85
National Institute on Handicapped Research funded Research and Demonstration Project for Adults with Learning Disabilities
Woodrow Wilson Rehabilitation Center
Fishersville, Va. 22939

Responsibilities: Assisted in survey instrument development, data collection, statistical analysis, and research results dissemination, performed psychoeducational and neuropsychological assessment of research subjects, developed a curriculum of instruction to develop vocationally relevant academic skills for specific training areas, provided consultation to vocational, academic and counseling staff regarding the specific programming needs of adults with learning disabilities.

Reason for leaving: To obtain State benefits/permanent position.

Special Education Instructor for Multi-handicapped Blind – From 10/82 to 6/83
Virginia School for the Deaf and Blind
Staunton, VA 24401

Responsibilities: Developed and implemented a program of instruction designed to improve the level of academic and adaptive functioning of mentally retarded and autistic blind children and adolescents in a residential school.

Reason for leaving: To work on NIHR research project.

Academic Instructor for Pre-vocational Program - From 7/79 to 10/82
Woodrow Wilson Rehabilitation Center
Fishersville, Va. 22939

Responsibilities: Developed and implemented an individualized program of academic resource instruction for multihandicapped adults in a pre-vocational program.

Reason for leaving: To obtain summers off and a shorter workday as I was expecting a baby.

Recent Relevant Training:

The National Center for Education Research (NCER) in the Institute of Education Sciences (IES) of the U.S. Department of Education, July 15 – 26, 2012

http://ies.ed.gov/ncer/whatsnew/conferences/12rct_traininginstitute/

The course sessions provided intensive training on planning, implementing and analyzing data from a cluster randomized trial.

Objectives: Describe the principles underlying randomized experiments and their advantages for making causal inferences. Understand the hierarchical structure of populations in education (students nested in classes nested in schools) and its implications for study design and analysis of data. Select appropriate measures for assessing outcomes, describing implementation fidelity, and capturing process variables. Acquire knowledge and strategies for designing and conducting a cluster-randomized trial. (One of only 30 applicants funded).

Consulting Experience:

University of Virginia Institute for Advanced Studies in Culture: *Culture of American Families Survey* Advisory Board, Fall 2012.

Washington and Lee University, Consultation in the development and application of guidelines for documentation of cognitive disabilities, Fall 2000 – 2005.

Shenandoah Valley Regional Special Education Program, Consultation for development and support of Autism Program, Summer 2000 – 2004.

Office of the Inspector General, Virginia Department of Mental Health, Mental Retardation and Substance Abuse Services, MR Facilities Evaluation, July 2000 – 2003.

Virginia Department of Mental Health, Mental Retardation and Substance Abuse Services, Mental Retardation Performance Outcomes Measurement Systems (POMS) Project. Oct. 1998 – 2000.

Consultation in program evaluation to People Places, Inc., Staunton, VA- 1996

Completed independent evaluation of consumer outcomes of Conductive Education Program for parents of program participants. July - August 1995, Fairfax, VA

Completed independent assessment of the Virginia Medicaid Community Based Waiver for Individuals with Mental Retardation for the Federal Health Care Financing Administration, November 1993.

Psychologist for an Intermediate Care Facility for Mentally Retarded Adults
Greenstone ICF/MR - Valley Community Services Board
9 Angus Rd. Waynesboro, Va. 22980 From: 10/90 to 1/92.

Conducted program evaluation of private and state programs for autistic disorder adolescents as they relate to the variables of "appropriateness" and "least restrictive environment," a study commissioned by a private consumer in an educational due process case. Study was included in its entirety as a finding of fact by the Special Justice reviewing this case. January 1990 - August 1990.

Served as expert witness on the subject of Autistic Disorder and its educational implications in two private court cases. May 1990 and June 1991.

Selected Presentations:

"The Children of Lake Wobegon: Competing with training wheels in a global race to the top" Accepted for roundtable presentation at the American Educational Research Association Annual Meeting, Philadelphia, PA, April 2014

"Navigating the special education maze", Presentation provided to volunteers and community members of Court Appointed Special Advocates, September 10, 2013

"Neurodevelopmental outcomes of childhood trauma" Presentation provided to volunteers and community members of Court Appointed Special Advocates, April 20, 2013

"Think Time versus Time Out in a Schoolwide Positive Behavioral Support System" professional development for in-service teachers, Clymore Elementary School, October 8, and August 13, 2012

"Closing the achievement gap through fidelity of implementation", invited address to public school administrators, Content Teaching Academy Leadership Institute, James Madison University, June 26, 2012

"Multi-tiered models of instruction for early intervention" for parents, administrators, and teachers of Harrisonburg City Public Schools, February 13, 2012

Honors and Recognition:

Fulbright Specialist Program Roster – March 2013 to present

Participant, James Madison University IMPACT³ Leadership program, 2012-13 cohort. Team project: Future of the James Madison University Planning Database, Selected for university task force to determine replacement of the PDB 2013-14.

Jones Endowment – March 2009 – funded research and service trip to Bangalore India.

Seminar Participant - June 2004, New Directions for Euro-Atlantic Relations, Institute for Social and European Studies (Daniel Berzsenyi College) in Szombathely, Hungary.

Ben and Janice Wade Outstanding Teaching Award, April 1998, Bridgewater College

Professor of the Year, 1996 and 1997, Bridgewater College, sponsored by the student chapter of Virginia Education Association.

Outstanding Dissertation of 1994, Department of Educational Studies, University of Virginia

Inducted into Psi Chi, the National Honor Society for Psychology (1977). Served as campus chapter president 1978-1979.

Current Research:

Multi-tiered culturally responsive models of literacy and behavioral support.

Partnership models between institutes of higher education and public schools to improve educational outcomes.

Global models of intervention and support for educational inclusion.

Resilience and burnout among special education teachers.

Community-based rehabilitation as a global means to build capacity for support.

Funded Research:

Virginia College/University Partnership Laboratory School Planning Grant Application – Almarode, J.T., Bosch, C.R., Desportes, L., Kretlow, A. G., Thunder, K., Virginia Department of Education February, 2012 \$237,803 (Funded)

Special Education – Early Childhood Special Education – Birth – age 5, Clinical Faculty Development Program with co-principal investigator Dara M. Hall, funded by the Virginia Department of Education, December 2011, \$ 35,847.

Partnering of James Madison University and Inner-City High School Students: A Multicultural Learning Experience funded by The Office of the Special Assistant to the President, James Madison University (with co-investigators David E. Herr and Mary L. Slade) \$4,000. April 2010

Early Identification and Intervention of Autism Spectrum Disorders Efforts in India, March 2009, Jones Endowment, James Madison University College of Education, \$3000.

Reading Rate as a Predictor of First year College GPA, a faculty development grant funded by Bridgewater College, \$1200, Fall 2002

Professional Affiliations:

The American Educational Research Association (AERA)
The National Council on Measurement in Education (NCME)
Society for Research in Educational Effectiveness (SREE)

International Travel and Teaching:

Conducted four weeks of video teleconferencing Training of Trainers for two cohorts of participants for University of Baghdad, Al-Mustansiryah University faculty, and members of the Ministry of Education for the development of Iraq's National Literacy Campaign, May 24 – June 17, 2010.

Bangalore India March 2009 – Research and presentation on early behavioral indicators of Autism Spectrum Disorders.

Bangalore India – January 2008 – Finish research on CBR and inclusion for AERA paper accepted for the 2008 Annual Meeting.

Mumbai, India – January 2007 – Gave guest lecture to graduate rehabilitation counseling

students at Tata Institute of Social Sciences and toured campus and affiliated NGOs.

Bangalore, India – January 2007 – Spent 6 days observing an integrated school and community-based rehabilitation program and conducted 4 hours of in-service teacher training at the Association for People with Disability.

Mexico City and states of Oaxaca and Chiapas, Mexico – June 2005, 2006, and 2008 through 2013 -visited remote villages in 2005 and 2013, observed teachers' strike and demonstrations in Oaxaca City, 2006 and follow-up in 2008.

Delhi, Agra, Jaipur and Bangalore, India – January 5 – 25, 2006

Seminar in Szombathely, Hungary: New Directions for Euro-Atlantic Relations, Institute for Social and European Studies (Daniel Berzsenyi College) June 13 – 24, 2004.

Barcelona and Madrid, Spain during winter breaks of 2000 through 2012.

Equador, Quito and surrounding villages, highlands and cloud forests, December 2003.

Supervised travel for groups of landscape painters in Provence, France summers of 1997, 1998, and 1999 for the Beverly St. Studio School, Staunton, Virginia 24401, numerous personal trips previously.

Service to the University:

Delegate to represent the Office of International Program's India Interest Group in Mumbai and Hyderabad, April 2014

Member of the Institutional Review Board, 2008 to present.

Member of university Planning Tool Task Force, September 2013 to present

Member of the 2012-13 IMPACT³ cohort

Member of the College of Education Assessment Committee, 2006 to 2010.

Member of several ad hoc groups focused on developing partnerships with India, 2006 to present.

Service to the Community:

Augusta County Public Schools – 2006 to present, provide program evaluation and staff development for transition to an inclusion model for middle-school students with emotional/behavioral disorders.

CASA for Children (Court Appointed Special Advocates) Board Member, June 2011 to present, Chair of the Program Development Committee.

American Youth Soccer Organization (Staunton/Augusta) - Coach for 1996 through 2004.

Valley Community Services Board – Facilitator for Strategic Planning workshop, 2002.

Vector Industries – Provide periodic staff development in-service training, 1991 – 2002.
