

Mary Barnett
Director of Internal Audit
Virginia Community College System

Mary loves Higher Ed internal auditing with a ridiculous passion. She works for the Virginia Community College System as the Director of Internal Audit; prior to moving to the VCCS she served at the Virginia Department of Corrections. She has worked as a consultant in the internal audit offices at MeadWestvaco Corporation and at Virginia Commonwealth University, and for many years she was the Director of Internal Audit at the University of Richmond. With 25 years of experience in Higher Ed internal auditing Mary has had her fingers in all the pies: Operations, finance, IT, fraud, academics, and workforce development, and has served on more committees than she cares to admit.

Mary has a degree in Religion from the College of William and Mary, and an MBA from Virginia Commonwealth University. She is a Certified Public Accountant and a Certified Information Systems Auditor. She really really loves to be outside.
