Schedule of Courses Outline

There are two start times for full time (FT) students: summer and fall semesters. We also have two start times for part time (PT) students: fall and spring semesters. We may have additional options in the future.

Full time students will complete the program in one full year. Part time students will complete the program in two years (5 semesters).

Students who are full-time starting Fall 2024 will follow Option 2. Students who are part-time starting Fall 2024 will follow Option 1. The schedules provided are tentative. There may be some changes in the order of courses due to unforeseen circumstances. However, all courses will be offered in an appropriate timeframe.

Option 1: Starting Summer for FT and Fall for PT (Tentative Schedule)
