

Summer Days on the Gus Bus

While students are out of school for the summer, the Gus Bus is hard at work bringing academic enrichment and summer learning fun to neighborhoods in Harrisonburg. Students, new and old, are so excited to see our new Gus Bus wrap design.

On the bus, we have been writing poems, reading stories, and learning about maps while reading *The Word Collector* by Peter H. Reynolds and *Except Antarctica!* by Todd Sturgell. Also, our Neighborhood Produce Markets are visiting our Gus Bus stops monthly and sharing free, fresh produce with students, their families, and other community members.

See our schedule to below to see if we are bringing summer enrichment to a neighborhood near you! More details about schedules are available on our website, iihhs.jmu.edu/thegusbus/.

Días de verano en el Gus Bus

Mientras que los estudiantes están de vacaciones de verano, el Gus Bus continúa brindando enriquecimiento académico y actividades de aprendizaje divertidas a los vecindarios de Harrisonburg durante todo el verano. Los estudiantes pasados y nuevos han estado emocionados de ver el nuevo diseño exterior de uno de nuestros dos vehículos de aula móvil.

En el Gus Bus, hemos estado escribiendo poemas y aprendiendo sobre mapas mientras leíamos *The Word Collector* de Peter H. Reynolds y *Except Antarctica!* por Todd Sturgell. Además, nuestros **Mercados Agrícola en el Vecindario** visitan nuestras paradas de Gus Bus mensualmente y comparten productos frescos y gratuitos con los estudiantes, sus familias y otros miembros de la comunidad.

Consulte el horario a continuación para ver si nuestras aulas móviles están visitando a un vecindario cerca de usted. Más detalles sobre los horarios están disponibles en nuestro sitio web, <https://hhs.jmu.edu/thegusbus/>.
