Description of Services and Fee Schedule

Services Billable to Insurance:❖ ***Occupational Therapy Evaluation: \$150***

Areas assessed: Fine and gross motor skills, visual perception and visual motor skills, self-care skills, play, and/or sensory integration and praxis.

Evaluation components: records review, observation and assessment of child, caregiver interview, scoring and interpretation collected information, written evaluation report, recommendations and intervention plan.

Evaluations are scheduled for 1-hour time slots. When appropriate or necessary a child may be brought back for a second observation or home/school observation at additional cost (see consultation rate). This decision will be made between the therapist and parents, based on information gathered on the day of testing and the parent interview/questionnaire.

Occupational Therapy evaluations done by other facilities may be accepted if they are current (within 1 year).

❖ ***Direct Occupational Therapy Services (intervention sessions):*** varies by service**Services Not Billable to Insurance:**❖ ***Consultation: \$75/hr***

On occasion consultations outside of regular evaluation and intervention sessions are necessary. These appointments are made at the discretion of the therapist and caregiver and may include:

- visits/consultations with teachers, or caregivers
- discussion of evaluation and intervention plans
- letters of medical necessity
- equipment request
- other

We are always available for brief conversations regarding your child's progress. Phone or in-person conversations beyond 10 minutes will be billed as consultative services.

❖ ***Special Programs/Camps: Cost varies***
