We look forward to officially welcoming you to the JMU community. You will learn more about academics and preparing for college.

Becoming a Duke

12:00-1:10 p.m.

Your OPA will be instrumental in helping you with your transition. They have tips and information about what life will be like as a JMU student, and give you the scoop on how to succeed academically and socially. Learn about the expectations of being a part of the JMU community while learning about resources that can aid you in your transition.

Your College Home

1:15-2:00 p.m.

We expect you to make informed decisions about your academic career. Based on your major, college leadership will share information about how to progress and be successful academically.

Academic Advising

Meet with your academic advisor. You will discuss responsibilities as an advisee, your goals for college, differences between high school and college-level coursework, credible academic resources, and how an academic advisor can help you. There will also be an opportunity to discuss your fall schedule. You will be assisted with course adjustment if necessary.

Program Assessment & Campus Connections

We want to know about your Orientation experience. Once you've taken our survey, reach out to campus departments to get any remaining questions answered.
