

Student Schedule

Spring Welcome Part 1 / January 17

Check-in 11:45am-12:30pm

After you park in the Mason Street Parking Deck, come grab your materials for the day and light refreshments to get started!

D-Hall: Hall of Presidents

Resource Fair & Lunch

Connect with campus departments that will help you navigate JMU. After visiting the offices and resources join us in the dining hall for a catered lunch.

University Welcome

Campus administrators will officially welcome you to the JMU community and help to prepare you for the JMU learning experience.

Academic Advising

Meet with your academic advisor. You will discuss responsibilities as an advisee, how to balance your time during the semester, your goals for college, how to prepare for the JMU classroom, academic resources to help you thrive, and how an academic advisor can help support you at JMU. There will also be timely reminders and time for any questions.

Becoming a Duke

There is no one that knows the JMU student experience better than our very own JMU Students. Meet with your Orientation Peer Adviser (OPA) to begin learning about what it means to be a Duke, what to expect, tips on making the most of your experience, and get your questions answered.

What's Next

Tell us about your day! We want to know about your Orientation experience. You will complete a survey and then receive updates for the weekend.

Dinner

You and your guest will join us for dinner. At the conclusion of dinner we will kick off our first Spring Weeks of Welcome event.

5:00-6:00 p.m. | *The Union*
